<b>Production method:</b>	Charmat
<b>Bottles produced:</b>	40.000 Bottles
<b>Bottle sizes:</b>	0,75 liters and magnum

Pale yellow in colour, it reveals a fine and persistent perlage that enhances a young freshness. Hints of acacia flowers and citrus fruits clearly stand out on the nose. Strong mineral mouthfeel given by the typical soil of the Montello hill. It goes well with dishes based on raw fish and shellfish.
